## Spring 2004 Incentive Grants for Projects in 2004-2005

The CIT offered a call for proposals for incentive grants for use of instructional technology by Duke faculty in September 2003. Faculty submitted initial applications, which were reviewed by the CIT staff and the CIT Advisory Board. Certain applicants were asked to complete a second, more detailed application by January 2004. Final grant awards were announced on May 19, 2004.

**CIT Advisory Board response to initial proposals submitted Sept. 25, 2003**

School	Proposals Reviewed	Request Full Proposal	Propose Alternative Approach	No Further Action	Received full proposal	Accepted full proposal

<b>Total</b>	<b>18</b>	<b>10</b>	<b>4</b>	<b>4</b>	<b>7</b>	<b>5</b>

### Final Awards

Seven (7) final proposals were submitted January 16, 2004. Five (5) of these final proposals were funded, with an announcement on May 19, 2004:

***Tracking Patient encounters to Achieve Learning Objectives in the School of Medicine***  
 Ophthalmology, School of Medicine, \$25,829

The project team will build a platform for tracking student/patient interaction using AvantGo & PDAs. Specifically, they will create an encounter log, build a PDA client application for data transfer to central servers, design a program for auto-collection of data upon PDA synchronization with a PC, and develop programs to manipulate data/create reports.

Buckley, Edward, Professor, Ophthalmology  
 O'Connor, Colleen, Assistant Dean, Office of Curriculum, School of Medicine  
 Taekman, Jeffrey, Assistant Professor, Anesthesiology  
 Petrusa, Emil, Assistant Professor, Office of Curriculum  
 Richardson, Jan, Professor of the Practice, Doctor of Physical Therapy Division

***Voices from the Latino community in North Carolina***  
 Romance Studies, Arts & Sciences, \$15,850

This grant will allow development of a digital archive of interviews with Spanish speakers in central North Carolina, including web-based activities designed for each interview.

CIT is part of:

Clifford, Joan, Visiting Assistant Professor, Romance Studies  
 Vidal, Graciela, Lecturing Fellow, Romance Studies  
 Paredes, Liliana, Assistant Professor of the Practice, Romance Studies  
 Olcott, Jocelyn, Assistant Professor, History

***An On-Line Education Program in Patient Safety and Quality Improvement***

Community and Family Medicine, School of Medicine, \$39,721

The project team will design & implement an on-line education program in patient safety & quality improvement for medical, PA, & MHS-CL students. The program will consist of 6-10 web-based modules designed for self-study, although there will be the potential for on-line discussion among students and between students and faculty.

Kaprielian, Victoria, Clinical Professor, Community and Family Medicine  
 Gregory, Barbara, Staff, Community and Family Medicine  
 Wiseman, Beau, Staff, Community and Family Medicine  
 Strand, Justine, Assistant Clinical Professor, Community and Family Medicine  
 Short, Nancy, Assistant Professor, School of Nursing

***Department of Classical Studies, Visual Resources for Classical Antiquity***

Classical Studies, Arts & Sciences, \$32,700

The project leaders proposed to digitize the departmental collection of 18,000 slides. As a sub-project, they will develop a database of VRA core-conformant metadata and high-resolution images of several hundred slides for display and management in Luna Insight, in four subject area test-beds: Pompeii, sites, sculpture, objects.

Sosin, Joshua, Associate Professor, Classical Studies  
 Boatwright, Mary, Professor, Classical Studies  
 Rigsby, Kent, Professor, Classical Studies

***Development of a Digital Image Archive and Database for Art and Art History  
 Instruction and Research: Phase 2***

Art and Art History, Arts & Sciences, \$30,034

This project funding will allow Art and Art History to implement phase 2 of a CIT-funded digital imaging initiative over a two-year period. Specifically, the project participants will continue development of Western Art survey image archive, initiate development of a companion Asian Art survey archive, develop digital archive in support of introductory graphic design courses, and target ten 100-level art history courses for digital conversion.

Taormina, John, Staff, Art and Art History  
 Edinger, Jack, Staff, Art and Art History  
 Antliff, Mark, Associate Professor of Art History, Art and Art History  
 Belkina, Anya, Assistant Professor of Art, Art and Art History  
 Bruzelius, Caroline, Professor of Art History, Art and Art History  
 Leighton, Patricia, Professor of Art History, Art and Art History  
 McWilliam, Neil, Professor of Art History, Art and Art History  
 Powell, Richard, Professor of Art History, Art and Art History  
 van Miegroet, Hans, Associate Professor of Art History, Art and Art History  
 Wharton, Annabel, Professor of Art History, Art and Art History
