

## Strategic Initiative Grants Fall 2008 Call for Proposals, Part 1

**DUE DATE for application part 1: 5 p.m. September 22, 2008**

<p><i>Email completed application form to:</i>          cit@duke.edu with subject line          “strategic initiative grant”</p>	<p><i>The due date for this initial application is firm. CIT will inform you of the next step for your application by September 29, 2008. If requested, full proposals will be due October 27, 2008.</i></p>
--	--

### Before you write your proposal...

CIT is offering these grants to support instructional innovations with technology, aligned with Duke's strategic plan "Making a Difference." In particular, Chapter 4 of the plan highlights academic and instructionally-related goals which CIT would like to support (see <http://stratplan.duke.edu/ch04/1.html>). Applicants are welcome to consult with CIT prior to completing this application; email [cit@duke.edu](mailto:cit@duke.edu) to arrange an appointment.

### Project information

Project title:

Describe your project idea, including your project goals and planned project outcomes (250 words or less).

Identify which Duke strategic plan goal(s) this project directly supports (see the plan at <http://stratplan.duke.edu/>).

Tell us why we should fund your project (please use terminology understandable to those outside your discipline). Include:

- Why your project is important to your program, department or school’s educational vision.
- How your successful project will improve student learning and student outcomes.

PI Last Name \_\_\_\_\_

## Faculty/course information

Project PI full name:

Title:

Department:

Email:

Phone:

Are you a full-time Duke faculty member? \_\_\_yes or \_\_\_no

What is the best way to contact you about your proposal: \_\_\_email or \_\_\_phone

List the other faculty involved in the project (provide name, email address and department/school).

Name and email of school/department IT staff:

Name of department chair and academic dean (A&S, Engineering), or academic dean (Nursing, Law, Fuqua, NSOEE, Grad, Med, Divinity):

**NOTE:** if you are asked to provide a full proposal after the first review, we will speak with your department chair, academic dean and/or divisional dean as relevant for your project to confirm their support. We recommend that you bring your project ideas to their attention early in the grant proposal process.
