Peer Evaluations Made Easy

Minna Ng
Duke Institute for Brain Science
CIT Showcase 2016
TEammates® introduced to me by Andrea Novicki (CIT)
For my course: Biological Bases of Behavior (team-based) peer-evaluations are an integral part of TBL®.
QUICK & Easy Setup

Copy & paste formatted roster into this box
Create an Evaluation Session

- Decide when it goes live
- Email to set up and reminder will be sent to recipients
- Decide when it closes
Enter Evaluation Items, Select Path + Visibility

Choose your question type

Team members evaluate one another

Receivers don’t see author but I do
3 sessions per class: multiple opportunities to incorporate team members’ feedback

- Download results in *.xls
- Make results in/visible to students
